Dear Child Care Provider,

This letter is in regards to the March 25, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)c First-Aid supplies are available and easily accessible in the home, outdoor play area, any vehicle used to transport children, and on field trips. (has bandaids but needs to assemble one)
- ☐ 110.5(1)c The first-aid kit is sufficient to address first aid related to minor injury or trauma and stored in an area not accessible to children.
- ☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. (They are practiced. Needs to document.)
- ☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. (Has a 1A 10BC. Needs to upgrade.)
- ☐ 110.5(2) A provider file is maintained and contains:
 - ☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (Needs an updated statement or physical.)
 - ☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR. (CPR and First Aid is expired. Needs to renew.)
 - ☐ 110.5(2)b During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting. If the provider has documentation of completing the ChildNet, PITC, or Beyond Business Basics series, these hours may be used to fulfill two year's training requirements, not including first aid and mandatory reporter training. A specific

training shall not be used to meet requirements more than one time every five years. (Needs to complete more training for this year.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 641-421-1219 if you have any questions regarding this letter.

Sincerely,

Amanda Nash
Social Worker II
